**DisCo 2022 offers a platform for scholars, researchers, pedagogical staff, students, educational startups, educational NGOs, and experts from the private and public sectors, through which they can join the discussion on topics connected to the use of cutting-edge technologies in education and learn how to use these technologies for developing student competencies.**

Thanks to financial support from [Central European Initiative \(CEI\)](#), 16 selected speakers from CEI countries (Albania, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, Hungary, Italy, Moldova, Montenegro, Northern Macedonia, Poland, Romania, Serbia, Slovakia, Slovenia, and the Ukraine) will have their travel expenses reimbursed with the limit up to 350 Euros and will receive free accommodation.

DisCo 2012, and 2014-19 proceedings have already been indexed in the [Clarivate Web of Science](#) database. DisCo 2020 is currently undergoing the process of evaluation. The 2022 conference proceedings will be sent for evaluation with the aim of their inclusion into the Web of Science as well. Therefore, a primarily scientific approach is required, and the authors' added value should be evident in these papers. Citations of the Web of Science and/or Scopus sources are highly recommended. Selected papers will also be considered for further elaboration and publication in selected magazines, such as [AULA](#), [Ricercazione](#) and the book of [IGI-Global](#).
